

ANIK BISWAS

SOFTWARE DEVELOPER

Mohakhali, Dhaka | Gmail: anik58267@gmail.com | LinkedIn: [anikbiswas](#) | Contact: 01521332348

SUMMARY

Highly-driven and ambitious Software Engineer with a passion for problem-solving and a deep-rooted interest in cutting-edge technologies. As an independent and dedicated individual, I am determined to secure a position where I can apply my honed skills in Computer Science to develop robust and efficient software products. With a proactive approach, I strive to contribute my technical knowledge in the design, implementation, and maintenance of software systems, ensuring optimal functionality and user satisfaction. Seeking a challenging role in a dynamic team environment that fosters innovation and allows me to make a significant impact in the world of software development.
